FINAL BALLOT TAKEN

Pennsylvania Senatorial Struggle Results In No Election.

DEADLOCK REMAINS TO THE END.

Presecution In the Quay Trial Suddenly Rests Case Against Ex-Senator-Summarizing Results of Nine Days' Trial It Seems Much Depends on the Expert Witness, Meyer Goldsmith.

HARRISBURG, April 20.-The great battle for United States senator ended terday in Philadelphia by Chief John yesterday without an election and un. E. Wilkie and his agents when they arless Governor Stone calls an extra ses. rested Arthur Taylor and Baldwin S. sion at which there should be an elec- Bredeil, the makers of the famous countion Pennsylvania will have only one terfeit "Monroe head" \$100 silver cerrepresentative in the United States senate during the next two years. There was no change in yesterday's voting, the friends of ex-Senator Quay standing by him and the anti-Quay Republicans by B. F. Jones of Pittsburg, while the Democrats cast their vote for George A. Jenks, who has been their candidate since the deadlock began. The senatorial contest began on Jan. 17. On that day Senator Quay received his highest vote, 112 senators and representatives casting their ballots for him. This was 18 less than the number necessary to a choice and he never came nearer an election during the more than three months of the struggle. No such bitter political contest was probably ever before waged in this country. The fight has been distinctly on Quay and anti-Quay lines and both sides had numerous representatives here at all times keeping a close watch on the members and on each other. Both sides promise that the contest for supremacy will be carried into every county in the state and waged incessantly until final supremacy is assured. The next fight will be on the chairmanship of the state committee. After that will come the battle for the control of the state convention which will nominate a candidate for state treasurer.

Prosecution Closes Case.

PHILADELPHIA, April 20.-Unexpectedly to almost every person interested, the prosecution in the trial of ex-United States Senator Quay for conspiracy closed its case yesterday after nine days full of argument, clashes of counsel and testimony largely of an expert nature. The general expression of opinion had been that the trial would drag through many more days, and when District Attorney Rothermel had announced that he had concluded, there were expressions of surprise. The end came at 2 o'clock, just one hour before the usual time for adjournment. Judge Biddle adjourned court in order that Mr. Quay's attorneys might consider what steps they would take. It was stated that the question of entering demurrers to the prosecution's evidence or proceeding with the taking of testimony will be decided with the defense's counsel. is apparently evident that the commonwealth depends largely for conviction upon the testimony of its expert, Meyer Goldsmith, as to his interpretations of the accounts in the "red book" and Graham, Ninth Illinois. bther books of the People's bank and upon the jury's opinions of the books, papers, letters and telegrams and checks | American military administration has offered in evidence. As to what extent the testimony of the defense's expert, should he be called, may offset Mr. Goldsmith's testimony remains to be seen. The contention of the defense in argument and cross-examination has been that the calculations of Mr. Goldsmith are not borne out by the books, but on the other hand show that Quay did not use state money nor receive interest on state deposits, and that whatever loans he received were made in the customary manner and backed with suf-

ficient collateral. Yesterday's proceedings were devoid of sensational features. The dry routine of figures, and involved explanasions of accounts, took up most of the

Famous Case on Trial.

DES MOINES, April 20 .- The famous case of the state of Iowa against ex-Secretary of State McFarland to recover \$5,000 came on for trial yesterday. A jury was selected and the state began the presentation of the case, Attorney General Remley representing the state. The case is one of the most sensational ever brought in Iowa. It grew out of the famous reandal connected with the publication of the last Iowa census, which was the talk of the town during the winter of 1896. At that time the newspapers of the state were filled with the stories of ex-Secretary of State McFarlan's methods of doing business, particularly the compilation of the Iowa census, in which he was alleged to have muleted large sums from clerks who did the work and not only this, but that during a portion of the time several clerks drew compensation as employes in the secretary of state's office as well as census clerks.

Trial of Mrs. George.

CANTON, O., April 20.—The defense in the trial of Mrs. George yesterday attempted to introduce other women into the case and to show Saxton's relations to them by proving their presence in his block and at his office. The court barred but all such testimony, except in regard to Mrs. Althouse, saying that Saxton's relations to other women were not competent in this defense. Prosecuting Attorney Pomereze cannot find in the court records the depositions of Mrs. George and of two women in Hanoverton, which were taken for Sample C. George's case against Saxton for damages for the alienation of the affections of the former's wife. He claims Attorneys Sterling and Welty, for the defense, have them and he has appealed to the court to have the papers brought into the court, claiming that they are a part of the official court records.

lows Sons of the Revolution. DUBUQUE, April 20 .- The tenth annual convention of Iowa Sons of the Revolution was held here yesterday. Officers were elected with S. F. Smith of Davenport, president; secretary, E. S. Hammett, Davenport; treasurer, E. Ballard, Davenport; chaplain, Rev. G. S. Rollins, Davenport; registrar, H. M. Hillis, Davenport; historian, M. M. Dady, Dubuque. Reports of officers show the society prosperous.

Expert Counterfeiters Captured. WASHINGTON, April 20.-Probably the most important capture in the history of the secret service was made vestificates. These arrests were followed today by the capture in Lancaster, Pa., of William M. Jacobs and William L. Kendig, two prominent eight manufacturers, and James Burus, who was in Jacob's employ.

Quick Work In Divorce Court. CHEVENNE, April 20 .- Mrs. Frank Boehm, who applied to the dis rict court Tuesday evening for a divorce from her husband, a well to-do merch at here, was granted the decree yester by afternoon, less than 24 hours after dling her suit. Mrs. Boehm was grand 1 \$1,700 alimony. The allegation was cruelty.

High Water at Sloux City. Sioux City, April 20.—The Missouri river here is higher than ever, except 137 Bullock, E. A., residence. during the flood of 1881, which was caused by an ice gorge. The stage of the water here is 18 feet above low 10 water mark and the rise continues.

On the Nebraska side there is much flooding, but not in localities where much harm will be done.

SPARKS FROM THE WIRES.

Vice President Hobart showed little change Wednesday. The Philippine postal service has been

placed on an independent basis. The British house of commons has rejected the bill repealing the coercion

act of 1887. Jack O'Brien and Dave Sullivan fought a 20-round draw at Hartford Wednesday.

At copper mines at Calumet, Mich., 2,500 men are out on a demand for a raise in wages.

Secretary Alger announced that the Cuban mortgages had been extended for two years beginning May 1. Lon Beckworth threw up the sponge

after four rounds with Tommy Mc-Carthy of Rochester, at Ithaca. Contracts have been let for the steel arena for the Colorado Athletic associa-

tion at Denver, seating capacity 5,000. The Atlantic Contracting company has sued the government in the court of claims for \$250,000 for work on Savannah harbor.

Application for a temporary receiver From the evidence already presented, it for the Hoffman house, New York, is apparently evident that the common property, made by New York bankers, is denied by the court.

General Brooke has remitted the unexpired imprisonment of John W. Ronans, Third Kentucky, and Stephen

Workmen in Santa Clara province are making demonstrations because the not paid them, the amount being \$2,000. Senator Jones of Arkansas, chairman of the Democratic National committee. denies the published statement that he

intends to resign the chairmanship of the committee. Arthur A. Colyar, Jr., the Nashville lawyer held for alleged conspiracy to remove Witness Heckman in the Molineux case, New York, is now held for

trial; bail, \$2,500. Santiago Morphy, who is alleged to have robbed the National Bank of Mexico of \$70,000, arrived at the City of Mexico Wednesday under a strong police

guard from the United States. Steamboat racing of the old fashioned sort has been renewed on the Ohio river. The City of Louisville and City of Pittsburg finished a race from Louisville to Cincinnati Wednesday, the Louisville coming in four hours and 16 minutes ahead.

The thirty-second general assembly of the state of Arkansas adjourned sine die Wednesday after a session of 100 days. The session just ended has been distinguished by the passage of a railroad commission bill, authorizing the construction of a new million dollar state capital and the enactment of the famous antitrust law.

Governor Stephens returned the Farris insurance bill to the Misso uri senate Tuesday, having signed it. This measure makes the antitrust law apply to St. Louis and Kansas City and will practically destroy the boards of fire underwriters of both cities. It will become a law in 90 days.

Pasco May Have a Fight. TALLAHASSEE, Fla., April 18.—Balloting for United States senator will begin in the legislature today. There will be no caucus. Every man in the legislature is a Democrat. There are 100 of them. In the fight for the organization of the senate and house the Talliafero faction won. This would seem to indicate the ability of the Talliafero men to elect the senator, but the best count which the Talliafero-Pasco candidate can make falls short of the requisite 51 votes. Shrewd politicians predict a

Telephone kutes and Numbers.

First.—To call give the crank one quick turn. This rings your bell and also signals the central office. Thed immediately put the hand telephone to your ear. When the operator inquires "Number" give the number of the party you want, but not your own number unless, the operator asks for it. The operator will instantly connect the wires and ring your party for you. Keep the folephone to your ear. If the party you want is in he will answer the operator without your ringing. Do not ring back. If the operator calls in at any time, snawer ber, to prevent disconnection. When through give a short ring, to disconnect.

Second—When called do not ring back, but at once put the telephone to your ear and talk.

Second When called do not ring back, but at once put the telephone to your ear and talk. Third. If after you have called, the operator says bury, it means that the party called for is connected with some one cise. Waita few minut s and call again.

Fourth. Never ring the cell, except to call "Central" or to disconnect.

Fifth. Avoid loud and beisterons conversation. Speak in your natural tone and close to the transmitter.

Sixth. When not in use, always hang the land telephone on its book, large end down, otherwise your telephone won't talk well.

Seventh. Do not use your telephone during a thunder storm.
